

TECHNICAL DATA SHEET

Zip Care

Zipper Cleaner and Lubricant

PRODUCT INFORMATION

Zipper care on dry suits, immersion suits and survival suits is crucial. A stuck, jammed or broken zipper on any of these types of suits is more than a nuisance, it can be fatal, especially in chemical emergencies. **Zip Care's** push-pull brush top enables the cleaner to be delivered between the teeth and physically removes foreign debris that can jam the zipper, leaving behind a mild lubricant containing no silicone. The new and improved formula is thicker, perfect for use on all types of zippers, especially those on wet suits, dry suits, waterproof bags, gear bags, protective clothing and environmental suits.

USES

Prevents zipper jamming
Lubricates zippers even in extreme conditions

CHARACTERISTICS

- Biodegradable, non-toxic formula
- Packaged with brush top for easier cleaning
- Contains no silicone

PHYSICAL AND CHEMICAL PROPERTIES

Physical form	Odor	Specific gravity	Temperature Range	Solubility in water	Flash Point	Boiling point
Liquid, semi-viscous	Faint, sweet odor	1.0		Complete	None	212°F

ADDITIONAL PRODUCT INFORMATION

Model	UPC	Case Size	Retail Package	Package Dimensions	Weight
29114		24	2 oz. bottle	5 1/4" X 1 1/4"	2.5 oz.

STANDARD PACK

Quantity: 24
Dimensions: 9 1/4" X 6 3/4" X 6 1/2"
Weight: 4 lbs., 12 oz.
Cube: .23

MASTER CARTON

Quantity: 144
Dimensions: 19" X 19" X 15 1/4"
Weight: 55 lbs., 6 oz.
Cube: 3.0

Special shipping requirements: None.
